District golfers (and wannabe's) are invited to participate in the Echuca Regional Health Social Golf Day at the Rich River Golf Club this Sunday October 12.

The mixed Ambrose event, with teams of four, is split into handicap and non-handicap events with the Corporate Shield, last year won by Elgas Echuca, returned and again up for grabs.

The Echuca Regional Health Ladies Auxiliary will have a trading table and raffle, with proceeds from the event to be used to purchase medical equipment for the Health Service.

Assembly is at 11.30 am for a 12 noon shotgun start, bookings can be made through the Golf Club Pro Shop on 5481 3372.
