District golfers (and wannabe's) are invited to join staff and supporters at the Rich River Golf Club next month for the Echuca Regional Health Charity Golf Day.

The event is a four ball mixed Ambrose competition, with handicap and non-handicap events and excellent prizes including a nearest the pin, eagle's nest, and the longest drive.

ERH is also launching its first annual corporate shield, where the winning team from local businesses will receive a perpetual trophy in addition to a keepsake from the day.

Chief Executive Michael Delahunty will be participating and is encouraging Echuca Regional Health staff and the community to participate. Michael added "It will be a very social and enjoyable day for both golfers and non-golfers at a first class venue with all proceeds going to a very deserving cause" Proceeds raised will be used to purchase a vital signs monitor for the Camray Wing.

Echuca Regional Health is in its 125th year servicing the region's communities, and has seen many changes in its time. In September 2006 the finishing touches were being made on the new peri operative unit, to which numerous local businesses and members of the community contributed. More recently the demolition and re-building of the community rehabilitation centre is well under way, and is expected to be completed in 2008.

The wider community is invited to enter teams and join in the golfing action on October 14, including afternoon tea, or to simply come along to the Monster Sponsor Raffle and Auction valued at over \$1700 to be drawn afterwards. For more information contact Jane Chirnside at ERH on 03 5485 5046.
